Subject: 2014 Competitions Policies/Referee Pay Rates

---

Good Afternoon all,

This memo is to serve as a reminder of policies in effect for all Senior Ontario Competitions (Marshall Premiership, Championship, Ontario Women's League) as we begin the 2014 season.

Currently, policy dictates that all teams participating in Senior Ontario Competition matches shall start with 22 players or less. A roster for any game in any of the above leagues is limited to this amount. This is as per policy 4.3.13.3.

Also, there has been some confusion at some venues for referee payment over the past two weekends. Please find the attached pay matrix for all matches officiated by Rugby Ontario Referees. These rates were reviewed at the Rugby Ontario Referee Committee Meeting in October of 2013, and remain unchanged from prior seasons.

If there are any concerns, please do not hesitate to contact me.

Regards,
